Learn & Turn
None
Demo
Outside Demo
Wayne Miller

President's Message

At the ½ way point through the year I have been reflecting on the past 6 months. While the membership is still smaller than we need, the members we have are the strength of the club. Steve is working hard to oversee recruiting of new members as well as recruiting folks for demonstrations, Mike has arranged two demo days at area high schools and has more ideas in the works, Ben did a great job finding smocks, Todd watches the money like it is his own, Art continues to put out a great newsletter, Kevin keeps us in good supply (I need 2 gallons of Anchorseal), Richard continues to make learn and turn a fun and educational event, Peter and Rick memorialize the club with photos, and Fran is making available his version of a Longworth Chuck to members at a great cost. (If I omitted anyone, please forgive me)

The club cookout is scheduled for 8/15/15 at my home. Please bring a chair to sit on, a side dish, and I would encourage everyone to bring along family members and partners.

Stay well, *Joe*

Month	Learn N Turn	Demonstration
July	None	Wayne Miller—segmenting
August	None	Turning Extravaganza
September	None—Outside Demo	Mike Mahoney
October	Joe McGill - TBA	Reid Gilmore—TBA
November	Mike Smith - TBA	TBA
December	Christmas Party	Turning Extravaganza

Wheel Chair Mission

This is what your donations provide to those in need

Approximately 1500 woodturners from around the world attended the recent annual AAW Symposium in Pittsburgh. Included in that number were several CNEW members. **The three day event included over 70**

renown demonstrators, including our own Rick Angus and offered over 170, ninety minute demonstrations. The instant gallery featured hundreds of pieces from attendees and the trade show offered ample opportunity to spend your money on everything from basic supplies to the latest and greatest tools and

Mass. South Shore**

equipment. A glossy handout book given to all attendees offered over 200 pages of information and instructions that in itself is almost worth the price of admission. I have been to several symposiums and would highly recommend anyone interested in seeing other techniques and improving their turning skills to attend. It's a very full three days.
